g comma, semicolon), rotate the information, and remove columns with no values in them.. To sum things up, Opal CSV Converter offers a handy set of parameters for helping you perform conversion operations but it still needs some improvements in the GUI area to make the entire process more intuitive.. It sports a straightforward layout that allows you to configure the dedicated parameters with minimum effort.. During our testing we have noticed that Opal CSV Converter carries out a task quickly, and provides good output results.. Advanced functions enable you to choose the encoding method, delete whitespaces, wipe columns and rows, as well as remove columns containing a user-defined word. [Rusted Warfare - RTS](#)
